MANOSCRITTI

FONDO PRINCIPALE

Manoscritto n. **P_MSS_1337**

Nel Fondo Principale sono confluiti la maggior parte dei lasciti manoscritti pervenuti alla Biblioteca Civica «Vincenzo Joppi» nel corso del tempo: si tratta perciò di un fondo composito nel quale è possibile trovare manoscritti di argomento liturgico, scientifico, giuridico, botanico e altro.

Parte presa nel mag. Mag.r Cons.o della M.ca Città di Udine
il giorno 19 Febr.o 1793.

Sarebbe ormai d'inutil tedio a q.to Cons.o il voler qui ripetere quali forti moventi abbiano scossa la sensibilità de' Cittadini che, fin dall' anno 1770 ebbero il merito di promovere col Sovrano assenso il lodevole progetto della nuova fabbrica di questo Pio Ospital maggiore, onde far conoscere a chi ben sente la somma importanza, e la necessità di questa grand'opera. S'alzano per essa le voci lamentevoli dell'umanità e quelle ni meno del pub.co decoro; parlano e parleranno eternam.te d'ora più le generose largizioni, che e in vita e in morte furono state profuse da S. E. Rmo Mons.r Gian-Girolamo Gradenigo fu nostro Arcivesc.o di sempre grata ricordanza. Fu desso che pose nell'an. 1782 la prima pietra continuò ad assisterla in modo, che sotto i suoi felici auspizj rapidamente crebbe, e prosperò a grado da non potersi più abbandonare. Sarebbe perciò onte alla nostra Città e recarebbe grave dolore anche ai cuori meno sensibili il deperimento, di cui si vede pur troppo minacciata la fabbrica mede.ma dopo l'impiego di grandiose summe per essere già esauriti tutti i fonti, che servirono finora ad alimentarla. Sembra però, che il Cielo abbia voluto riserbare all'Illmo ed Eccmo Sig.r Provvitor Erizzo nostro ossequiato Luogot.te e ben degno Nipote dell'estinto Prelato la cura di guidarci con le sue affettuose insinuazioni al conseguimento non solo di tanto bene, ma anche di ... oggetto sommamente caro, ed interessante.

Vedendo l'Ecc.za Sua mancare in q.ta Città un fonte ... di aque buone, e sapendo essi quanto queste influiscono sulla salute degli Uomini ci anima ancora a coltivare l'altro gradito progetto di rimettere in corso le nostre fontane con aque di perfetta qualità.

Invitata pertanto questa Deputazione a ri...tracciare li mezzi creduti valevoli e proprij a incontrare senza incommodo il duplice occorrente dispendio, niuno gli parve più

conveniente, più facile, e più sicuro di quello della imposta per il corso di otto anni di un soldo per Bocale sopra li Vini ordinarij, e voluttuosi vendibili al minuto in q.ta Città e suo Distretto sull'esempio appunto di ciò, che per oggetti di assai minor rilevanza è stato prima felicem.te addottato in alcuni luoghi e Communità di questa Patria e poi anche in molti de' suoi Villaggi per le Strade pubbliche: ma che per non alterare in minima parte l'affittanza attuale del Dazio Vino [illegible] pina di ragione di q.ta Città, abbia la sud.ta imposta ad a[illegible] re il suo principio alla scadenza dell'affittanza med.ma ed a progredire sino al termine dell'ottennio, periodo che dietro i c[illegible] li fatti per approssimazione della s[illegible]esa, e del consumo medio di Vino in un anno si crede necessario di stabilir. a intiero compimento delle indicate due Opere.

Tale imposta però combinata con la possibile moderazion[illegible] discretezza avrà luogo solamente nel caso, che il prezzo naturale dei Vini ordinarii con li soliti menovali a[illegible] scimenti non sarà m[illegible] giore fra noi di soldi nove il Bocale di modo che oltrepassando[illegible] soldi nove abbia a rimanere sospesa l'imposta med.ma per essere ripiglia ta fi[illegible] al totale compimento dell'ottennio sopra li Vini così ordinarj come voluttuosi tosto che il prezzo naturale degli Ordinarj ritornerà entro i [illegible] limite di soldi nove il Bocale.

Incontrando quindi Noi Deputati con vera ri[illegible]oscenza e persuasione li paterni eccittamenti del venerati[illegible] n.ro Preside concordemente proponiam[illegible]

Che da questo mag.co Mag.r Consiglio siaci data facoltà [illegible] supplicarlo, che degni accompagnare la presente all'Ecc.mo Senato

all'Eccmo Senato affine di ottenere dalla sovrana sua muni-
ficenza il benigno permesso tanto di realizare per il tempo
e con le condizioni premesse la d.a Imposta sul Vino, quan
to di prendere l'occorrente danaro a censo per risarcirsi
del prò, e farne la francazione di anno in anno con
la vendita della Imposta, onde non frapporre ulteriori
ritardi a imprese di tanta premura, e possa altresì lo
stesso Illmo ed Eccmo Sr Luog.te aver la dolce compia-
cenza di godere sotto il glorioso suo Reggimento
del frutto delle zelanti sue applicazioni a vantaggio
de' Poveri ed a commun nostro Bene.

5. Doveranno leggersi ogni anno a questo Consiglio li conti
di quest'Azienda; e se mai per avventura accadesse
che al termine delle accennate due Opere risultasse
ro civanzi nella Cassa della Imposta sud.a doveranno
questi essere intieramente impiegati nel pronto
riattamento delle Strade principali poste nel nostro
Distretto per [illegible] quelle, che coll'istesso
mezo si sono già fatte, e sono per farsi dalla Mag.ca
Patria entro i proprij Confini, ciò che pure ridonderà
a sempre maggior commodo, ornamento, e profitto
della nostra [illegible], e de' suoi Abitanti.

Eccellenza

Può dirsi con tutta verità, che fra tutte le Pie opere che sono state instituite in soccorso della misera umanità non vi è ne sia una, che sopra quella dell'ospitale di S. Maria della misericordia della città di Udine possa interessare li riguardi della pub.ca pietà e merit... il Sovrano predilezione.

Si verifica in questa il ricovero e mantenimento degl'infermi, degli impotenti, degli ortanelli, di Pazzi, e degli esposti di tutta la città, e della intiera Provincia, e vi hanno il loro asilo ed assistenza tutti li soldati del Corpo degli aquartierati in q.ta città in pub.co servizio nelle occasioni d'infermità e di altri sinistri accidenti.

Il numero ordinario degl'infermi ed impotenti ascende a circa 200 e quello degli esposti suole oltrepassare li 1500. e sebbene venga sostenuto il di lei governo per carità da due Cittadini uno Nobile col titolo di Priore, l'altro Popolare col titolo di Cameraro che vengono eletti d'anno in anno dal M.co Cons.o del Pio Luoco, e l'annua rendita sporca non sia inferiore alla riguardevole summa di D. 20000 c.a ad ogni modo non vi è anno, in cui l'amministrazione non ricada in qualche inevitabile sbilancio.

Capace per effetto della religiosa clemenza del Principato questa pia instituzione di beneficij, legati, eredità, e Donazioni, onde potesse dagli Uomini Pij essere stata in passato, e restare in avvenire contemplata non diffidono li di lei Governatori di vederla un giorno risorta e sodamente stabilita ad onta di due essenziali sofferti infortunij, uno della evizione della eredità del q. Co: Angelo Nicoli, per cui ha dovuto soccombere alla rifusione di tanti migliaja di Ducati, l'altro dello spoglio di Beni antichissimi che possedeva nelli luoghi che dopo la Pace di Vormazia sono rimasti in Diz... di Sua Maestà l'Imperatore: spoglio decretato dall'autorità di Giuseppe II. nell'an. 1782 sul supposto che li Beni med.mi fossero altrettante beneficenze derivate a questo Pio Luoco da disposizioni de' di lui sudditi coll'oggetto di farvi in esso ricevere gli esporti delle due finitime Contee di Gorizia e di Gradisca, e per troppo a fronte, che il supposto med.mo sia stato con pu... che, e private rimostranze in ogni ora par... ...mento

sia da quel tempo effettuate, ed eseguito col solo pos
sessore non corrispondente compenso di Fiorini [illegible]
fatti pagare in più rate dalla Cesarea Corte di Vienna
in effettivo contante.

Per altro la necessità di spropiarsi in relazione alla Parte
dell'Eccelso Senato 26 Marzo 1603 de' fondi che sono per
entrare in q.to pio institutione ne' prossimi casi della [illegible]
cazione di alcune testamentarie beneficenze, e di assoggettarsi
all'aggravio delle spese ed al pericolo delle giacenze e tal volta
del deperimento delle investite de' Capitali che dalle vendite
di tali Beni potessero venir ritratti rende molto più difficile
più lontano e più incerto il rassodamento dell'abbattuta di
lei economia e del di lei stato.

Non pertanto per abusare delle provide riserve, che la Sov.a Maestà
ha inserite nelle sapientissime sue Leggi, ma anzi per invo-
care il loro salutare effetto per la unica preservazione
di tanti Fondi stabili, che bastino a rimpiazzare li Beni
di antichissima epoca devoluti [illegible] per la volontà e dispo-
sizioni di S. M.tà l'Imperatore, gli umil.mi attuali Gov.ri che
sono al fatto delle [illegible] circostanze di un Pio Instituto
di tanta utilità e necessità, dalla di cui sussistenza di[illegible]
la conservazione di tanto numero di sudditi che o [illegible]
bero appena nati o ceder dovrebbero senza [illegible] alli discari della fame
delle disgrazie e delle malatie contemplando nell'Ecc.za V.ra un
Padre della meschina umanità, un Protettore del solo caritate-
vole asilo della stessa, e un Sovrano Comembro di esimia
celebrata Pietà osano prodursi a di lei piedi per implorare
come ossequiosam.te implorano l'autorevole di lei grazia
e patrocinio onde sotto l'ombra del di lei favore, o col mezzo
della di lei caritatevole assistenza procurare a [illegible] Pio luogo
la graziosa permissione di trattenere tanti de' Beni stabili
che sarà per [illegible] ne' non rimoti casi della verificaz.e
di [illegible] testament.ie disposiz.i a di lui favore quanti siano
sufficienti e non più al rimpiazzo de' Beni stati [illegible]
e disposti nell'anno 1782 dalla Imperiale [illegible] di Giuseppe
II. onde [illegible] il luogo med.mo [illegible] antichi suoi posse-

dimenti

dimenti possa considerare come stabile e permanente un'annua rendita di D.ᵗⁱ 1800 c.ᵃ che altrimenti restareb-be sempre oltrecchè molto aggravata senza verun pub-blico vantaggio eventuale e pericolitante.

Quest'atto di grazia che le religiose massime della Pub.ᶜᵃ Pietà hanno espressamente riservato per què particolari casi che possino meritare il Sovrano compatimento riguarda le classi più infelici della misera umanità, ed è tutto diretto al sollievo delle loro maggiori indigenze, ed a contribuire col loro nutrimento e conservazione anche al maggior bene del Principato. ed è però da sperarsi che dalli paterni sentimenti e religiosi voti dell'Ecc.ᵐᵒ Senato sarà per essere sotto li fausti ed autorevoli auspicij dell'E.V. pietosamente accordata. Presentemente non si ritrova in questa mia Parochia alcuna Giovane Esposta di cotesto Pio Ospitale. Le rimando dunque il foglio a stampa intatto. Non ho potuto dargli risposta prima, perchè solamente l'altro giorno mi fu consegnata la sua pregiatissima. Se posso obbedirla in altro mi comandi; con che rassegnandoli il mio doveroso rispetto mi do l'onore di segnarmi

In risposta la data sua 14 Ag.o cor.e concernente la ricerca che mi fà delle Fanciulle state man...te in questa mia parochia dall'ospitale d'Udine sino l'anno 1785, e 1786 le avanzo notizia che tutte in pocchi mesi di loro permanenza in quest' aria insalubre sono mancate a vivi, avendo ricevuta una Dotte perene dall'Altissimo in Cielo, come piam.e io credo.

Ve ne sono bensi diverse Giovane in questa mia parochia povere, orfane, senza padre, e senza Madre in stato prossimo di Mattrim.o ed in età di Marito. ma sicome sono senza modi cossi sono esposte ai pericoli pecaminosi di questo Mondo quali essendo di ottimi costumi frequentando la S. chiesa, e li SS. sacramenti meritano di essere anoverate, ed admesse sotto l'ombra del valevolissimo patrocinio di S. E. Luogotenente, acciocchè si degni di anoverarle nel Num.o della Grazia per il loro caritatevole provedimento. Le migliori di costumi, e che meritano d'essere sovenute sono le qui sottoscritte, che glele nomino, e raccomando alla carità grande e piatosissimo zello di S. E. Luog.te appoggiandole al di Lei patrocinio sicuro essendo, che non le perderà di memoria. e qui pieno di stima con tutto l'osequio riverendola, me ne rassegno.
